BRANDING GUIDE

PREPARED FOR: **ASHWORTH**
LOCATION: **LITTLE RIVER, NC**

ASHWORTH

The everyday apparel label from Little River, North Carolina. This guide sets out how the Ashworth mark, palette, and type work together so the brand reads the same on every hangtag, storefront, and screen.

THE BRAND

WHO IS XXXXX, AND HOW IT SHOULD FEEL.

Ashworth is the basics done right tees, socks, and everyday layers cut for real life and built to be worn hard.

Rooted in Little River, North Carolina, the label leans on honest materials and a quiet, grounded palette. Nothing loud, nothing disposable pieces that earn a place in the rotation.

The mark carries that story: an A drawn as a peak, crossed by two picks a nod to the outdoors and to work done by hand. Structure and craft, in a single symbol.

01 GROUNDED

Earthy, warm, and unpretentious. The brand feels lived in, never precious.

02 CONSIDERED

Two colours and one typeface, used with restraint. Let the product do the talking.

03 MADE TO WEAR

Everyday essentials, built to be reached for again and again.

LOGO USAGE

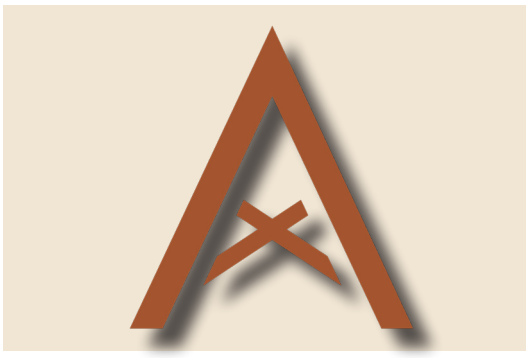

DONT

Don’t stretch or distort the proportions.

Don’t recolour outside the approved palette.

Don’t add shadows, glows, or effects.

Don’t place on busy or low contrast photos.

MINIMUM SIZE

Digital
Mark no smaller than 32 px tall

Print
Mark no smaller than 0.4 in tall.

COLORS

RUST

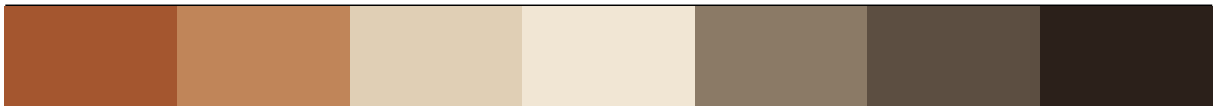

HEX	A4562F
RGB	164-86-47
CMYK	0-48-71-36

CREAM

HEX	F1E6D4
RGB	241-230-212
CMYK	0-5-12-5

INK

HEX	2B211A
RGB	43-33-26
CMYK	0-23-40-83

USAGE

Let Cream carry most surfaces it's the calm base the brand lives on. Reserve Rust for accents, calls to action, and moments that need warmth; overusing it dulls the effect. Use Ink for type, high contrast panels, and the mark. The tonal ramp above fills in for borders and quieter details.
